DESCRIPTION:

Boreal Centre is a Child and Youth Expertise Centre (CYEC) focused on the needs of young victims of sexual violence under the age of 19 and their families. We are committed to playing a role in preventing sexual violence by focusing on children, youth, parents, professionals, and the general population of Southeast New Brunswick.

The Centre brings together a multidisciplinary team of professionals who work collaboratively with the family. Professional services offered by the CYEC include coordinated forensic interviews; examination of the youth by a medical professional; victim advocacy, including court preparation and support; trauma assessment and specialized trauma focused counselling.

MULTIDISCIPLINARY TEAM (MDT) includes:

- Victim Services
- RCMP Codiac and Southeast
- New Brunswick Child and Youth Advocate
- Education and Early Childhood Development
- SANE: Sexual Assault Nurse Examiner

- Social Development Child Protection
- Attorney General New Brunswick
