The Windsor Essex Child/Youth Advocacy Centre (WECYAC) provides a child-centred, safe location for children/youth to disclose their abuse to a specially trained team of professionals. Prior to WECYAC, children/youth subjected to abuse were interviewed in several locations around the Windsor Essex community, by multiple different professionals. WECYAC minimizes the number of times children/youth must tell their story, reducing the trauma of disclosure. We believe that *kids should only have to tell their story once!*

WECYAC is a partnership among key organizations, community leaders and champions, and government. We share a passion for supporting children/youth and families who have been affected by abuse. WECYAC is also committed to raising public awareness regarding the existence of child/youth abuse in our community.

WECYAC's Key Partners are:

- Ontario Provincial Police
- Windsor Police Services
- LaSalle Police Services
- Amherstburg Police Services
- Windsor Essex Children's Aid Society
- Windsor Regional Hospital
- Sexual Assault Crisis Centre
