DESCRIPTION:

The Caribou Child & Youth Centre opened in 2012 as the second child advocacy centre in the province of Alberta. The Centre serves children and youth (under 18) who have experienced sexual, physical, or psychological abuse, exploitation, and/or neglect. We also work with those who have witnessed other types of trauma or violence.

The Caribou Centre is located in northern, rural Alberta making us a unique adaptation of the larger city advocacy centres.

The Caribou Centre serves children, youth and their non offending family members through initial disclosure, investigation, necessary therapeutic supports, court preparation, support and accompaniment.

The centre seeks to provide children and their families with one single point of contact to assist them throughout the process and our goal is to ensure that children are not re-victimized by the very systems designed to protect them.

The Caribou Centre multidisciplinary team members consist of PACE, RCMP, Children’s Services, Grande Prairie Victim Services and the Crown Prosecutor’s Office.

MULTI-DISCIPLINARY TEAM (MDT) includes:

- PACE

- RCMP
- Children's Services
- Grande Prairie Victim Services
- Crown Prosecutor's Office.
