

## **CAC/CYAC Network Café Rotation: Priorities & Strategy of the National CAC/CYAC Network**

As you discuss the priorities and strategies at each table, draw on the Vision, Mission & Values of the National Network developed on Day 1, and the information from Bruce MacDonald and Jessica Moyer.

Take into consideration your centre's successes, challenges and barriers.

### **Priorities:**

1. Sustainable Funding
2. Public Awareness
3. Best Practices
4. Research & Evaluation
5. Professional Development/Training
6. Developing a National Message(s)
7. Mental Wellness of Professionals
8. Cultural Responsiveness

### **Discussion Questions for each Café Table/Priority:**

1. How would a national focus help us achieve this priority?
2. How would this priority impact your centre?
3. What are the top 3 steps to move this priority forward?
