Boost Child Abuse Prevention & Intervention (formerly Toronto Child Abuse Centre) is a community-based agency committed to eliminating abuse and violence in the lives of children, youth and their families. The centre is a registered charity and has provided programs and services to children, youth, their families and the community for the past 30 years. Boost provides services to children who have experienced abuse or violence or who are at risk of abuse or violence, and to their families. Boost believes that all children and youth have a right to grow up in a safe, healthy and nurturing environment. Boost is dedicated to the prevention of child abuse and violence through education and awareness, and to collaborating with our community partners to provide services to children, youth and their families.
