The Suspected Child Abuse and Neglect (SCAN) Program is a program run by The Hospital for Sick Children (SickKids). SCAN is made up of a team of healthcare professionals including paediatricians, nurse practitioners, sexual assault nurse examiners, social workers and psychologists who offer care, support, assessment and treatment and medical evaluation to children and teenagers who may have been maltreated, and their families. Team members of the SCAN Program are involved in various research and educational activities and many provide expert testimony in Provincial and Superior courts.
